IDC Report: Huawei Increases Lead Over Apple With Samsung In Its Sights In Battle For Top Spot

from <https://www.zdnet.com/article/idc-report-huawei-increases-lead-over-apple-with-samsung-in-its-sights-in-battle-for-top-spot/#ftag=RSSbaffb68>.. First quarter 2019 results reveal that smartphone shipment volumes are down 6.6% compared to 2018.. Four of the top six companies show declining results, but Huawei had a 50% increase over the past year as it approaches the top spot.
