The other requirement is their fusion itself If you manage to fulfill all that, Gogeta will become playable.. Gogeta In order to get access to Gogeta, you must beat Parallel Quest 57 and on top of that fulfill two out of three requirements.. You must beat evil Janemba in order to unlock Ultimate Finish and get the most valuable loot.

If you manage to beat those two foes, a new, evil version of Janemba will appear.. The first is making sure Goku and Vegeta stay alive long enough so they can fuse into Gogeta.. The fight is tough Firstly, you must beat Janemba and Buu, after which Cell and Frieza might show up to intervene.. Future Trunks you'll have to finish Story Mode Since Future Trunks is one of the most popular characters of the whole series, it's great Namco Bandai didn't offer him as a paid DLC HIT You can get Hit by making a wish with the Dragon Balls In order to get Dragon Balls, you have to complete parallel quests.
